BOARD OF EDUCATION

SEATED: Richard Wassink, Edward M. Selkregg, Jr., James Bryan, Roy Thomson, Warner Tillack
STANDING: Raymond Mead, John Hallenburg, Harold Buchholz, Paul Taylor, Donald Campbell

Skill, wisdom, foresight, dedication, understanding, and energy beyond measure are only a few of the numerous qualities possessed by the men who comprise our school board. We are indeed grateful for the many hours of work spent to give NEHS the quality of education it deserves and enjoys today.

ADMINISTRATION AND FACULTY

Dear Seniors:

All of us are happy for you on this very momentous occasion, your graduation. Your graduation from high school is generally accepted as graduation into adult life. This life offers you a number of new experiences but it also demands of you a greater amount of responsibility. One of the great responsibilities you have is that of becoming a good American. Our time is crying for a citizenry obedient to the law and a nation void of strikes. We tolerate the growing welfare state and are developing a passiveness to initiative. So important today is the need for good Americans that I encourage you to accept the following creed.

I do not choose to be a common man. It is my right to be uncommon--if I can. I seek opportunity--not security. I do not wish to be a kept citizen, humbled and dulled by having the State look after me. I want to take the calculated risk; to dream and to build, to fail and to succeed. I refuse to barter incentive for a dole. I prefer the challenges of life to the guaranteed existence; the thrill of fullfillment to the state of calm Utopia.

I will not trade freedom for beneficence nor my dignity for a handout. I will never cower before any master nor bend to any threat. It is my heritage to stand erect, proud and unafraid; to think and act for myself, enjoy the benefits of my creations and to face the world boldly and say, "This I have done."

All this is what it means to be an American.

Congratulations to you on your forthcoming graduation, and good fortune in your pursuits of noble lives.

Sincerely yours,
George A. Maines
Supervising Principal

Success, failure; happiness, tears; joy, sadness; pride, disappointment; refreshment, fatigue; friends, adversaries; wins, losses; competition, cooperation; these are just words, but they could represent those emotions and experiences that have been a part of your high school experience.

These emotions and experiences do not end now that you are graduating from high school. You will find, however, that your experiences here will better prepare you for what lies ahead. We have done our best to develop skills, to instill knowledge, and to foster proper attitude. It is now up to you to take this training and further prepare yourself for your chosen field of work.

If you apply yourself and continue to learn, using the tools we have given you, you will be successful. You leave North East High School, but North East High School will never leave you. We have become a part of you, and as such, we feel we have an investment in your future. Only you may determine if it has been a wise investment of time, energy, knowledge, money and love.

Sincerely,
Donald G. Claypool
Principal

GUIDANCE

Returning this year after a two year absence is Mrs. Marjorie Sceiford who is the new guidance counselor. This department outgrew its old location in the main office and is now located in the old Conference Room. It is here that students receive much helpful assistance and for this we are eternally grateful.

*Warren won the 1966 Class A State Championship at Penn State.

The "Pickers" were in a class by themselves in a sport that has to be classified as one of the most demanding and punishing events in athletics. There is no break or time-out from the start to the finish and these two points are separated by two and one half miles of grass, ditches, and hills.

In addition to running roughshod over Class A and B schools on the dual meet schedule, the team also won the Erie County Championship and the Class B Championship in the Gannon Invitational Meet ahead of twelve other B schools from all over Pennsylvania and Ohio. The team also nailed down another trophy for taking 3rd over all in the Gannon Meet, coming close behind St. Joseph's from Cleveland and Warren, Pennsylvania, both Class A State Champions from their respective states. The team then went on to completely dominate the District 10 Meet and finish up third in the PIAA Meet held annually at Penn State University. This is the highest finish ever recorded by a North East team in the state meet.

MAN OF THE YEAR — 1963

Ag boys presenting Mr. Davis with a check for the scholarship fund.

They called him professor, and that he was in the truest sense of the word. But not only was he an educator in the school, but a credit to his community. He was a friend to all, an ambitious leader, and a truly dedicated man. Through thirty-nine years of untiring effort, this one man has helped make North East High School what it is today. What more can we say but "Thank-you, Mr. Earle C. Davis; you have left an indelible mark in the hearts of every NEHS graduate."

Below: Carl Wallin presents the Freedom Shrine to Mr. Davis
